Friday March 4 10:30 — 11:30 am	Kidleidoscope — Porcupines Come learn about our neighbors who share our home in the Connecticut River watershed. Saturday March 5 1—2 pm	The Power of Water / The Power of Words What do you want for your rivers? Help gather 1,000 of your river stories to be turned into a monumental and inspiring public-participation River of Words art exhibit. Create your river story and it will later join the larger River of Words exhibit urging federal officials to improve the health and recreational use of the Connecticut River. This is an exciting opportunity to creatively engage in a policy-making process. You own your rivers and now is the time to speak up for a positive impact that will last for a lifetime. Sponsored by the Connecticut River Watershed Council.
